

## MARICOPA COUNTY DEPARTMENT OF TRANSPORTATION

# *We Need Your Input! TSP Update 2006*

The Maricopa County Department of Transportation (MCDOT) is updating its Transportation System Plan (TSP Update 2006) for Maricopa County. MCDOT's **RightRoads Program** is conducting the third in a series of three open house public meetings being held throughout the County during the Update process to gather your input on your community's present and future transportation system needs.

The TSP is a component of Maricopa County's Comprehensive Plan and addresses future growth, development and the resulting traffic demand from a system-wide, regional perspective to provide a seamless transportation system. The TSP guides the development and ultimate construction of transportation facilities within unincorporated areas of Maricopa County for a twenty-year period.

Stop by anytime during the open house hours to speak with MCDOT project team members. For more information please contact Tim Oliver at (602) 506-3994 or e-mail Oliver at: [timoliver@mail.maricopa.gov](mailto:timoliver@mail.maricopa.gov).

Reasonable accommodations for this public meeting are available for people with disabilities with a minimum 72-hours notice. Arrangements for Spanish-speaking representatives can be made available with 72-hours notice. Please contact Roberta Crowe with MCDOT for more information at (602) 506-8003.
